

What does 'Outstanding Grade' mean?

- The Accredited Provider has been in operation for a minimum of 2 years.
- The Accredited Provider's education sites have fully equipped classrooms and each site has standalone student-only gyms for practical delivery.
- The Accredited Provider has specific internal departments with dedicated teams demonstrating a clear hierarchy within the organisation (not limited to but including as mandatory:
 - Internal Quality Assurance
 - Student support
 - Certification
 - Enrolment (to include counselling sessions, employment placement service)
- All essential and desirable systems are in place and teaching, learning and assessments are tailored to the needs of ALL learners proactively, with evidence of consistency over a period of time.
- Management, administration staff and delivery team are proactively involved with learners in contributing and improving the quality of their journey, and there is significant evidence of improvements/changes being made as a result of consultation between all involved in the provision of training.
