

Sanctions Policy

Whilst PD:Approval will endeavour to work with all their approved providers to ensure that they maintain the standards set by PD:Approval that form the basis of either endorsement or accreditation (approval), there may be instances where a sanction has to be applied in order to protect the interests of either each or all of PD:Approval, membership organisation partners, the general public, learners and other approved providers, and to ensure prompt compliance to any shortcoming identified by PD:Approval.

The following sanctions may be applied at the discretion of PD:Approval for, but not limited to, the following reasons:

- Failure to adhere to the [Contract Terms and Code of Conduct & Practice](#)
- Falling standards of delivery or assessment
- Failure to address actions required by the External Quality Assurer (EQA)
- Payment default

Approved providers will in most circumstances be given the opportunity to rectify the issue within a specified timeframe, provided in writing from PD:Approval, before a sanction is put in place.
